

# Topic-Labeled Do While

```
LabeledDoWhileLoop.java ×
1 package loops;
2
3 public class LabeledDoWhileLoop {
4
5     public static void main(String[] args) {
6
7         int i=1;
8         veeru:do
9         {
10             int j=1;
11             while(j<=5)
12             {
13                 System.out.println("* ");
14                 j++;
15                 break veeru;
16             }
17             System.out.println();
18             i++;
19         }while(i<=5);
20     }
21
22 }
```

Error when we used do-while loop inside the do-while loop as Labeled Loop

```
*LabeledDoWhileLoop.java ×
1 package loops;
2
3 public class LabeledDoWhileLoop {
4
5     public static void main(String[] args) {
6
7         int i=1;
8         veeru:do
9         {
10             int j=1;
11             do
12             {
13                 System.out.println("* ");
14                 j++;
15                 break veeru;
16             }while(j<=5);
17             System.out.println();
18             i++;
19         }while(i<=5);
20     }
21
22 }
```
